

B. Other Mammals

Includes original books, reports, monographs, or entire journal issue parts (though the catalogue may not be complete for the last-mentioned) not in the African Mammals catalogue. Excludes single-paper reprints, photocopies or pdfs of reports, journal papers or other publications.

Publication details (e.g., year; edition; publisher) are for books in collection

[*] = Signature or inscription of author (either on book itself or in letter in book)

[\$] = Signature of notable previous owner
